Will you be my forever family?

Email: [action@k9pac.org](mailto:action@k9pac.org)

My name is **Skyy** and I am searching for my forever home in the DC, MD, VA area. I am a **2-year-old girl**, a pit-terrier mix, and an all-around great pup, if I do say so myself!

I absolutely **love playing with other dogs** and I could chase squirrels for hours (although, I've never caught one). **I absolutely adore people** and would be quite content sleeping on your lap all day long. I get excited for walks and play time outside, but when **indoors, I am very relaxed and quiet**. I am completely **house broken** and I know the basic tricks like "sit", "stay", and "lay down". I am very **eager to please** people, so I'm sure I could learn a whole lot more if you want to teach me!

I am currently staying with my foster mom who absolutely adores me. She says that I will be a great addition to any family! Would you like to be that family? If so, email [action@k9pac.org](mailto:action@k9pac.org)
